INFINITE LEARNING. ENDLESS POSSIBILITIES.

FIVE DAYS OF SUMMER

Big Learning In A Small Amount of Time

1 Subject | 5 Days | 15 Hours

Five Days of Summer is a unique program that uses an in-depth approach to learning, allowing students to accomplish big goals in a small amount of time.

Whether your child has summer reading/math assignments to complete or wants to sharpen math and literacy skills, our teachers provide the guidance necessary to minimize anxiety and maximize results.
